ISCB Education Subcommittee Course Proposal Template (please read the 'rules' document before completing this form). With the ongoing COVID pandemic we prefer to support online training courses to be run before July 2022 period (earliest course date 1st March 2022). This completed form should be emailed to

educ@iscb.info by 13th January 2022.

Title of Course
Course proposers and their ISCB membership status
Contact details for the lead course organiser
Overview of content and format of course (please include details on planned hours of lectures, workshops and/or practicals). List all speakers/teachers involved in the planned course, indicating the kind of activity and anticipated number of attendees. Should your course be successful and supported by ISCB this text will be used for promotion of the course and news of the Subcommittee's activities.
How will this course meet the ISCB-Education SC remit? Courses need to show benefit to one or more target countries: Eastern Europe, Africa, South and Southeast Asia, the Middle East, South and Central America and the Caribbean.
Financial support required with justification for any costs requested to deliver this course (broken down into components, e.g. honorarium for speakers)
Proposed date(s) of course
Any further notes or details
